Counting from 6-10

Print pages 3-5. You may want to print two copies of pages 4-5 or simply have the students reshuffle the cards when they reach the bottom of the draw pile.

Gather small place markers for each player.

Counting from 6-10

For 2-4 Players

Instructions:

Place your marker on the "Start". Place cards upside down on the "Card Draw Pile".

Choose a player to go first.

The player will draw the top card from the pile then move to the next matching space. Play continues to the next player.

If a player lands on a space with an arrow, he will follow the arrows to the new space.

If a "Heart Gem" card is drawn the player will head to the closest "Heart Gem" space, even if it is behind him.

To win by landing on the last 10, a player MUST draw a card that would be shows 10.
